The history of NOBLE is inextricably linked to the company’s visionary spirit of

**“WE DO NOT BUILD HOUSES,
WE CREATE HOMES”**

In 1991, the company started with its first project, Noble Park, an introduction of a horizontal condominium which is the first in a chain of successes of NOBLE’s unique philosophy. Followed the journey of success, NOBLE listed its shares on the stock exchange of Thailand in 1997 (Stock Quote: NOBLE).

Today, NOBLE remains a leading property developer in Thailand. By 2024, the company has successfully developed over 66 residential projects in prime Bangkok locations, with a total gross project value exceeding 132 billion baht.

NOBLE PROJECTS IN RATCHADA – RAMA 9

Recognizing the growth potential of the Ratchada – Rama 9 – Asok area, Bangkok’s new central business district (CBD), NOBLE launched “Noble Revolve Ratchada 1” and “Noble Revolve Ratchada 2” in 2011. These two iconic residences are just 80 meters* from MRT Thailand Cultural Center Station and strategically located opposite A-Grade office buildings, including AIA Tower and The New Stock Exchange of Thailand.

Following the success of these projects, NOBLE introduced “Nue Noble Ratchada–Lat Phrao”, located just 50 meters* from the MRT Yellow Line and 150 meters* from the MRT Blue Line. In 2022, NOBLE unveiled “Nue District R9”, comprising two high-rise towers next to MRT Phra Ram 9 and Central Grand Rama 9.

“Nue Epic Asok–Rama 9”, the fifth project in this prime area, is set to become an iconic residence, offering the largest green spaces in the area with lucrative investment opportunities.
